Opening balance	Credits	Debits	Closing balance
22,583,622 s	**+300,432 s**	**-624,242 s**	**22,259,812 s**

Date	Description	Amount (s)	Balance (s)
14 Aug	Transfer to own account: Lagos Sector	-623,642	21,959,980
	You asked for the sundry to be itemised, and the Teller itemised it as a single line. You accepted the line without remark, which she takes as an answer. Ref. CIBT-3029-5E56-5		
16 Aug	Mech Veterans' Time Pension	+59,649	22,019,629
	The pension for the 16th was not paid until an officer had visited the veterans' window in person, since you had asked that the sum be handed over and not posted. The officer came on the 16th, and the pension was handed over on the spot. Ref. CIBT-3029-3AC5-2		
16 Aug	Slippage fee (Lagos Sector, 1 transfers)	-600	22,019,029
	The fee on your transfers to the Lagrange Four Commissary's staff account is charged once in each direction, since the firm holds that a pay packet should not be asked to cross twice. The relay does not hold with that view, and the firm does not hold with the relay. Ref. CIBT-3029-04BC-9		
21 Aug	Payroll credit: the Lagrange Four Commissary	+157,977	22,177,006
	The Lagrange Four Commissary remittance shows a sum one day above the contract figure, which the payroll office puts down to an extra shift worked during a clock change. The officer checked the shift against the roster and found it there, in a hand nobody on the roster admits to. Ref. CIBT-3029-B07B-1		
31 Aug	Interest at 4.40% APY	+82,806	22,259,812
	You come to the window on the 31st of each month to see the interest before the Teller reads it, and the Teller has begun to read it a shade slower, so that you may be right first. Ref. CIBT-3029-65A4-0

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
