Opening balance	Credits	Debits	Closing balance
245,433,361 s	**+3,920,124 s**	**-47,562,606 s**	**201,790,879 s**

Date	Description	Amount (s)	Balance (s)
15 Oct	Payroll credit: Ganymede Heights Infirmary	+3,142,919	248,576,280
	The crew at Europa are paid in cycles by Ganymede Heights Infirmary, and the remittance reaches Hall E already converted. A Teller who has checked the conversion by hand twice reports that it is correct, and that her first figure was the right one. Ref. CIBT-3003-D924-5		
19 Oct	Memory Vault: box 61-543, quarter	-259,200	248,317,080
	Each quarter you carry the rent down the stairs yourself, counting the steps aloud, and at the bottom you say the total again. The custodian now waits at the foot of the stairs for the second number, and has never yet needed to correct the first. Ref. CIBT-3003-E1FE-5		
19 Oct	Transfer to joint account	-1,885,751	246,431,329
	Nobody has ever asked for the joint account to be divided at the counter, and the Teller says this is the most unusual thing about it. Ref. CIBT-3003-3408-5		
19 Oct	Transfer to own account: Europa	-45,417,655	201,013,674
	The adjustment of 45,417,655 was posted to the nearest five seconds, as the Hall E ledger has always done for entries keyed by hand. The 0.30 s difference has gone to the suspense line, where it is kept in case it is wanted. Ref. CIBT-3003-B531-7		
31 Oct	Interest at 3.80% APY	+777,205	201,790,879
	The auditors took this line at random from the quarter's run and rebuilt it from the posted rate, the balance and the days in the period. They reached the same figure, and have asked that it be filed in a different coloured ink, so that it stands out from the rest of the run. Ref. CIBT-3003-100C-0

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
