Lio Xiomara
Unit 107, Pallas Ring 10

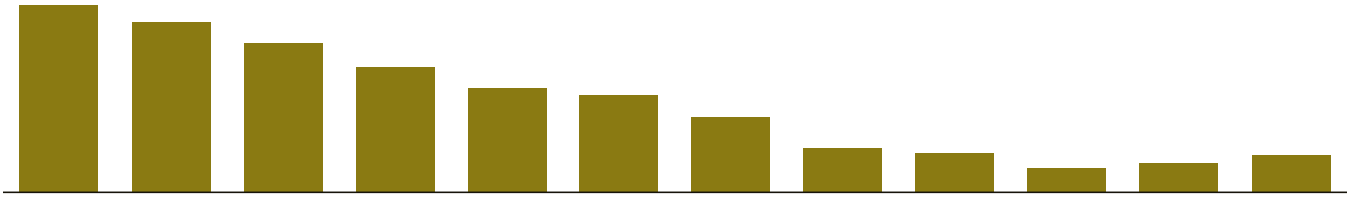

Account 8564-6664-0708
Period 1–31 January 2986
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
23,376,516 s	**+1,003,733 s**	**-312,772 s**	**24,067,477 s**

Date	Description	Amount (s)	Balance (s)
03 Jan	Transfer to joint account	-126,346	23,250,170
	Bram Cardew tops the joint account up by a few seconds from a purse each quarter, and you take them out again the next morning, so that neither of you is ever the only one to have paid in. Ref. CIBT-2986-A5B1-0		
16 Jan	Payroll credit: St. Catherine Bakeries	+210,577	23,460,747
	The employer's office has sent a corrected statement of the 28 days it paid for in error. The overpayment has been taken back from this credit, and the employer asks that the error not be repeated, which the Bank has passed on without comment. Ref. CIBT-2986-3BF0-2		
16 Jan	ATM withdrawal: London Sector	-172,800	23,287,947
	The Teller hands the cash across as if it were a letter. The machine, she says, counts faster than she does, and has never once been wrong about who you are. Ref. CIBT-2986-86BC-0		
16 Jan	Deposit: Hall E	+588,766	23,876,713
	The deposit's date was taken from the slip as the 16th, but the counter took it on the following day, when the rate was posted. The statement now shows the day of the count; the interest is the same either way. Ref. CIBT-2986-35B9-4		
17 Jan	Turbulence Cover	-12,726	23,863,987
	Your claim waited 29 days for a second signature. The officer who gave it had gone to check the delay in person and reported that it was still in progress. The claim was paid on the day it was signed, which the officer felt was fair to everyone. Ref. CIBT-2986-D920-0		
18 Jan	Mech Veterans' Time Pension	+124,521	23,988,508
	Mech Veterans' Time Pension for the month. Your service record shows 9 years with the Authority's mechanised divisions; the payment includes the allowance for upgrades fitted in service. Ref. CIBT-2986-A1C3-9		
29 Jan	Slippage fee (London Sector, 3 transfers)	-900	23,987,608
	Transfers to the Memory Vault sub-level cross no relay at all, yet the fee is charged on them anyway, the Vault's clock being the only one in the Bank that keeps step with nobody. The Vault has asked that this be stated plainly. Ref. CIBT-2986-E413-8		
31 Jan	Interest at 4.10% APY	+79,869	24,067,477
	A second of interest accrued on this account in 2982 is carried forward from a ledger page nobody has been able to name. It has been added to the balance, as the Bank does with seconds it cannot account for. Ref. CIBT-2986-D132-5		

Closing balance, month by month

February 2985 January 2986

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
