Date	Description	Amount (s)	Balance (s)
04 Aug	ATM withdrawal: Lagos Sector	-86,400	53,231,994
	The machine at Lagos Sector recorded the withdrawal against the local date, and the statement carried it across to ours a day early. The entry has been moved back to the day you stood at the screen. The balance on that day was never in question. Ref. CIBT-3003-F76D-5		
05 Aug	Deposit: Hall E	+3,063,660	56,295,654
	No handling charge applies to this deposit. The coins came already rolled in paper, which the counter regards as doing half its work for it. Ref. CIBT-3003-A32B-0		
07 Aug	Transfer to joint account	-365,463	55,930,191
	The Lagos Sector half of the joint account runs on its own day, a little longer than ours, so the transfer to 8564-2707-5382 sometimes lands on a day with an extra hour in it. The extra hour is paid into the joint account as a bonus, and nobody has been able to say whose. Ref. CIBT-3003-EF6E-0		
11 Aug	Payroll credit: Interworld Post	+609,105	56,539,296
	The Interworld Post credit on the 11th was keyed with its seconds in the wrong column, so the statement read 609,105 where the advice had given a smaller sum. Nothing was paid twice. The entry has been corrected, and the advice returned to the office. Ref. CIBT-3003-7ECA-4		
23 Aug	Temporal Health Plan	-30,228	56,509,068
	Pharmacy supply from Lagos Sector, shipped on a day schedule and received here 29 days later, on ours. The plan treats the supply as delivered on the day it left, since the medicine did not notice the difference. Ref. CIBT-3003-D677-0		
31 Aug	Interest at 3.20% APY	+142,182	56,651,250
	The Ceres branch credits interest on a day of its own, slightly longer than ours, so the interest on this account is always one day behind itself. Ref. CIBT-3003-3F7E-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
