Opening balance	Credits	Debits	Closing balance
0 s	**+104,453,915 s**	**-459,030 s**	**103,994,885 s**

Date	Description	Amount (s)	Balance (s)
09 Jul	Temporal Health Plan	-22,830	-22,830
	The plan's auditors found three consultations billed under the code for dental work, which none of them was. The codes have been corrected and the sums paid to the right provider. The auditors have asked for the mistake to be recorded as a clerk's, which it was. Ref. CIBT-3025-996B-6		
10 Jul	Payroll credit: Montréal Sector Transit	+8,696,583	8,673,753
	A wage from Montréal Sector Transit was credited to a holder with no name on the register. The fraud office asked whether it was the holder it has been chasing for 7 years, the answer was no, and the office has asked that the sum be kept where it can be seen. Ref. CIBT-3025-B3AC-1		
16 Jul	Deposit: Hall E	+92,612,384	101,286,137
	Nothing is charged for the 0.967 that was left in the envelope. It was returned to you at the window, and you did not ask for it, which the counter has noted as the usual arrangement. Ref. CIBT-3025-BBF4-6		
17 Jul	Mech Veterans' Time Pension	+3,144,948	104,431,085
	Your pension is paid at Io on the local day, which runs 25 hours longer than ours, so the payment reaches you before the day it was earned. The Pensions Office has agreed to call this a timing and not an overpayment. Ref. CIBT-3025-9C08-0		
19 Jul	ATM withdrawal: Io	-172,800	104,258,285
	You take your cash in one step and then stand a moment with the receipt unread, as a man might pause in a doorway. The officer has allowed the pause to be recorded as part of the transaction. Ref. CIBT-3025-93A4-7		
20 Jul	ATM withdrawal: Io	-259,200	103,999,085
	An earlier line showed this withdrawal as 259,200, and the receipt gives 3 Standard days. Under the regulation on rounding at a clock boundary, the two were reconciled as a conversion at the posted rate, the earlier line has been struck, and the difference returned to the account. Ref. CIBT-3025-48B3-7		
24 Jul	Slippage fee (Io, 7 transfers)	-4,200	103,994,885
	Montréal Sector Transit moved its remittance window to the far end of its building in 3025, which the relay reckons 56 seconds further from the Head Office. The extra seconds are on this line, and the firm's reply, that the building did not move, is filed beside the Bank's. Ref. CIBT-3025-CF43-2		
31 Jul	Interest at 3.30% APY	+0	103,994,885
	The auditors who went through the Hall E ledgers this year asked why this line was one second short of the reckoning. The answer is on file: the first second of the period is not counted, by agreement, and the auditors have accepted it with some reluctance. Ref. CIBT-3025-9EFA-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
