Date	Description	Amount (s)	Balance (s)
06 Jul	Payroll credit: Brymar College	+382,840	57,151,526
	Your pay was credited on the 6th, the day the Bank had closed to balance its own books, so the credit went into a ledger that was not yet open to anyone else. The officer describes it as the cleanest arrival on record. Ref. CIBT-2997-4690-0		
19 Jul	Memory Vault: box 27-275, quarter	-259,200	56,892,326
	You pay the rental on box 27-275 at the counter and not by transfer, and you ask for the receipt to be read back to you before you leave. The officer does so, slowly, which you appear to enjoy. Ref. CIBT-2997-BA34-3		
20 Jul	Transfer to own account: Venus	-388,988	56,503,338
	The sundry charge on this line is your share of the office kettle at Brymar College, which asked us to note that yours is larger than its own. The Bank has noted it in the margin, as a remark the firm wished it had made first. Ref. CIBT-2997-3983-4		
29 Jul	ATM withdrawal: Venus	-86,400	56,416,938
	The withdrawal was not paid until the local day had closed, because the machine at Venus does not pay out on a day it has not finished. It paid on the morning that followed, the first morning it had been asked. Ref. CIBT-2997-DC24-6		
31 Jul	Interest at 3.90% APY	+184,498	56,601,436
	The Venus office pays its interest in the station's own unit, which is the shorter of the two, so the same sum looks larger on the local page than on ours. The Bank has laid the two pages against each other and found the sum unchanged, though the figure has grown in the telling. Ref. CIBT-2997-8CB3-9
