Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
2,503,958,669 s	+49,184,974 s	-3,444,343 s	2,549,699,300 s

Date	Description	Amount (s)	Balance (s)
02 Aug	Transfer to joint account	-3,415,165	2,500,543,504
	On the 2nd of each month the two of you come in together, take the chairs nearest the window, and wait while the officer posts the transfer. The chairs are set out before you arrive, and neither of you has been asked to explain why. Ref. CIBT-2989-2F2C-7		
04 Aug	Payroll credit: Phobos Drydock	+5,691,942	2,506,235,446
	Your wages from Phobos Drydock are rounded down each month to the whole sol, and the remainder goes into a staff reserve. The reserve is kept in a box whose lid was pressed down twice for the year and paid out in a single sum. This year it came to 0.989 of one sol, and the payroll office has asked whether you would like it in cash or added to next year's pay. Ref. CIBT-2989-0E2F-7		
12 Aug	Deposit: Hall E	+35,981,156	2,542,216,602
	A line on your last statement counted this deposit twice, once from the slip and once from the envelope. The envelope's entry has been reversed, and the slip stands as the only record. Ref. CIBT-2989-2D4E-9		
14 Aug	Slippage fee (Phobos, 8 transfers)	-2,400	2,542,214,202
	The officer checked the fee with one pencil and then with a second, and said that the second was for the first's benefit. It came to 2,400 seconds in both. Ref. CIBT-2989-A4CF-4		
20 Aug	Temporal Health Plan	-26,778	2,542,187,424
	A reimbursement landed on the wrong dentist's books, because a physiotherapist on Phobos shares a surname with him. The two have been separated, the dentist has been paid nothing, and he has not yet complained, which the plan takes as a sign he has not noticed. Ref. CIBT-2989-C2CA-9		
31 Aug	Interest at 3.60% APY	+7,511,876	2,549,699,300
	No fee is charged on a balance held at the same rate for 10 periods. The Bank has noticed that the rate has not changed in that time, and that neither have you, which it regards as a convenient pairing. Ref. CIBT-2989-E6E0-0		

Closing balance, month by month

Highest 2,549,699,300 s · lowest 1,788,191,521 s

September 2988 August 2989

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
