Period 1–31 January 2995
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
133,704,061 s	**+9,985,534 s**	**-261,000 s**	**143,428,595 s**

Date	Description	Amount (s)	Balance (s)
01 Jan	Deposit: Hall E	+8,405,691	142,109,752
	The machine's count and the Teller's count agreed to the second. The Teller asks us to say that this is becoming rare on every world, and that the agreement was welcome. Ref. CIBT-2995-7C09-4		
03 Jan	ATM withdrawal: The Belt	-259,200	141,850,552
	The Committee's sample of cash-time withdrawals at The Belt for 2992 included yours, and found it in order to the second. It asks us to say that it found nothing else, which the Committee considers a finding in itself. Ref. CIBT-2995-BAFF-8		
06 Jan	Payroll credit: Montréal Sector Transit	+1,078,453	142,929,005
	The Montréal Sector Transit credit on the 6th was keyed with its seconds in the wrong column, so the statement read 1,078,453 where the advice had given a smaller sum. Nothing was paid twice. The entry has been corrected, and the advice returned to the office. Ref. CIBT-2995-3095-6		
13 Jan	Slippage fee (The Belt, 6 transfers)	-1,800	142,927,205
	Your second transfer waited 28 Standard days at Hall E, because the receiving office was waiting for a confirmation that had been sent to the wrong relay. The confirmation has arrived, and the fee has been calculated from the day it did. Ref. CIBT-2995-91C3-1		
31 Jan	Interest at 4.50% APY	+501,390	143,428,595
	You have left the interest on deposit for 3 consecutive periods without once checking the figure before the statement arrived. The branch takes this as a compliment, and the statement is now sent with a little less ceremony. Ref. CIBT-2995-E71F-0		

Closing balance, month by month

February 2994 January 2995

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
