Period 1–31 July 3000
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
188,777,624 s	**+19,374,369 s**	**-352,800 s**	**207,799,193 s**

Date	Description	Amount (s)	Balance (s)
09 Jul	ATM withdrawal: Europa	-172,800	188,604,824
	The statement previously read 172,800 as the sum withdrawn. That was the sum requested. The sum paid was 2 Standard days, and the difference was never taken from your balance, so the figure on this line is the one to keep. Ref. CIBT-3000-4A18-7		
14 Jul	Payroll credit: Montréal Sector Transit	+1,078,453	189,683,277
	The wage slip from Montréal Sector Transit came by the slow route, which took 31 Standard days. The Bank paid the sum on the day the slip was sent, not the day it was read, as the contract requires. Ref. CIBT-3000-29C3-0		
19 Jul	ATM withdrawal: Europa	-172,800	189,510,477
	Cash was left in a single heavy roll at the Hall E counter after the machine closed for the day, and the Teller counted it again when the day opened. Ref. CIBT-3000-356D-1		
26 Jul	Deposit: Hall E	+17,588,000	207,098,477
	Asked whether the deposit was a gift, the Teller said that it was a deposit, and that the difference between the two was a matter for the depositor and not for the Bank. Ref. CIBT-3000-A6C4-3		
28 Jul	Slippage fee (Europa, 8 transfers)	-7,200	207,091,277
	The slippage on the 8 crossings to Europa fell on the same second as the Montréal Sector Transit remittance, so the two were charged together. Each pays its own 0.30 s, and the statement shows them on one line for reasons of space. Ref. CIBT-3000-F524-0		
31 Jul	Interest at 4.50% APY	+707,916	207,799,193
	Each month the interest is entered as a fixed sum of 707,916, with the variable part in brackets beneath it. The layout was adopted in 2998 and has not been changed since. Ref. CIBT-3000-E6FD-6		

Closing balance, month by month

August 2999 July 3000

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
