Opening balance	Credits	Debits	Closing balance
89,231,717 s	**+1,413,071 s**	**-6,739,718 s**	**83,905,070 s**

Date	Description	Amount (s)	Balance (s)
01 Mar	ATM withdrawal: New Orleans Sector	-86,400	89,145,317
	An instalment of 86,400 is drawn at New Orleans Sector on the 1st. It is the eleventh of its kind this year, the same sum each time, which is why the machine no longer asks you to confirm it. Ref. CIBT-3003-2006-8		
09 Mar	Payroll credit: Montréal Sector Transit	+1,078,453	90,223,770
	The Montréal Sector Transit pay reached New Orleans Sector, a branch that had been closed for 29 days, so the Bank held the credit in its night safe until the branch could take it in. It was posted on the morning it could be, with the interest it had earned while it waited. Ref. CIBT-3003-3221-8		
13 Mar	ATM withdrawal: New Orleans Sector	-86,400	90,137,370
	You fold each withdrawal into the same wallet and count it once at home before you come back for the next. The officers have never seen the wallet, but the custodian says it is always the correct weight. Ref. CIBT-3003-75A5-4		
22 Mar	Transfer to own account: New Orleans Sector	-6,566,918	83,570,452
	A sundry was posted twice, once in days and once in seconds, because the New Orleans Sector desk sent its slip in both forms and the Bank read both. The duplicate has been removed. The desk has been asked to send one form, and has replied that the second is how it knows the first is its own. Ref. CIBT-3003-4057-6		
31 Mar	Interest at 4.50% APY	+334,618	83,905,070
	Interest on the sum your employer, Montréal Sector Transit, pays into your staff savings plan. The plan's contributions are yours in law from the day they arrive, and the interest on them is calculated from that day. Ref. CIBT-3003-96CE-5

April 3002 March 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
