Period 1–31 July 2997
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
100,223,379 s	**+3,620,501 s**	**-345,900 s**	**103,497,980 s**

Date	Description	Amount (s)	Balance (s)
03 Jul	ATM withdrawal: L4 Habitat	-86,400	100,136,979
	The Automated Temporal Machine at L4 Habitat is the only one on its world that pays in watches rather than in coin. Depositors who use it write about it in the visitors' book, usually as though it were a privilege, and the branch has never corrected them. Ref. CIBT-2997-2D99-1		
05 Jul	Slippage fee (L4 Habitat, 1 transfers)	-300	100,136,679
	Crossings to the Moon and to Mars are split between two relays, each taking a share of the seconds. Each transfer is therefore charged twice in small amounts, and the statement adds them into one figure out of kindness. Ref. CIBT-2997-1DFA-1		
13 Jul	Deposit: Hall E	+2,839,239	102,975,918
	Note for the auditors: a second, smaller slip was found folded inside the first, signed with the depositor's initials and no sum. The counter has treated it as a receipt for the larger slip, and asks the auditors to say whether it is one. Ref. CIBT-2997-B7E5-2		
21 Jul	Payroll credit: Montréal Sector Transit	+472,240	103,448,158
	Montréal Sector Transit sends a wage in the form of a voucher redeemable at its own canteen. The Bank converts the voucher at the posted rate and credits it in seconds. The canteen has been asked to accept seconds in return and has said it will think about it. Ref. CIBT-2997-C725-4		
25 Jul	ATM withdrawal: L4 Habitat	-259,200	103,188,958
	A withdrawal of 259,200 at L4 Habitat was logged on the 25th as made by a customer who was, that morning, at the Head Office signing a deposit. The Committee has agreed that both entries are true. Ref. CIBT-2997-46D0-1		
31 Jul	Interest at 3.70% APY	+309,022	103,497,980
	The joint account's interest is credited at L4 Habitat first and then here, so that each holder sees it once on the local day and once on ours. The two lines are not the same figure, and neither holder has yet asked which one to believe. Ref. CIBT-2997-9A73-7

August 2996 July 2997

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
