Date	Description	Amount (s)	Balance (s)
02 Jan	ATM withdrawal: Phobos	-172,800	305,331,396
	Since it was installed, the machine at Phobos has paid your 2 Standard days on the first working day of each month. The custodian has come to think of it as a pension paid in arrears, and has asked whether it might be paid in advance. Ref. CIBT-2970-A7A7-0		
03 Jan	ATM withdrawal: Phobos	-86,400	305,244,996
	Taken out on the morning Ganymede Heights Infirmary posted your pay, at Phobos. Cash taken on the day wages arrive is, the officer on the concourse says, the oldest arrangement on the platform, and the machine has never asked for an explanation. Ref. CIBT-2970-D6E4-3		
21 Jan	Temporal Health Plan	-27,184	305,217,812
	For the auditors: claim 24 appears on the register under two provider codes, both correct. The second code belonged to the first provider's successor, and the two have agreed in writing how the sum is to be split. Ref. CIBT-2970-7500-4		
27 Jan	Deposit: Hall E	+1,443,269	306,661,081
	The envelope was sealed and then re-sealed in front of you. The officer notes that the second seal is the neater of the two, which is the only comment the branch is permitted to make on the matter. Ref. CIBT-2970-6489-9		
29 Jan	Memory Vault: box 67-100, quarter	-259,200	306,401,881
	The rent was paid in full at the counter. The custodian observed that the box has now been paid for longer than the holder has lived at the address on file, and the holder agreed, and asked for the file to be corrected. Ref. CIBT-2970-D228-4		
31 Jan	Interest at 3.90% APY	+992,888	307,394,769
	Eleven offices handled the interest on this account for 2965 on its way to the ledger, and it arrived at each one exactly as it left the last. The auditors have asked whether this is the depositor's doing or the offices', and have been told both, in that order. Ref. CIBT-2970-7067-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
