Date	Description	Amount (s)	Balance (s)
06 Jul	ATM withdrawal: London Sector	-172,800	187,102,681
	The machine at London Sector gave you 0.941 day too little. You did not notice, and the Teller did not tell you. The Teller has decided it is not her place to explain this to the machine. Ref. CIBT-2971-2868-7		
07 Jul	Temporal Health Plan	-18,125	187,084,556
	Auditors' note: the eye examination on the 7th was paid from the reserve rather than the premium, the reserve being the account the plan keeps for examinations it cannot otherwise place. The auditors have asked that the reserve be given a better name. It has been given the same one. Ref. CIBT-2971-A54A-6		
10 Jul	Memory Vault: box 67-100, quarter	-259,200	186,825,356
	The holder of box 67-100 takes the lower stair rather than the lift and comes up again at the same pace. The custodian has timed the walk on 61 occasions, and the figure has not moved by more than a few seconds. Ref. CIBT-2971-4830-8		
21 Jul	ATM withdrawal: London Sector	-86,400	186,738,956
	Your request at London Sector waited behind 8 others on the 21st. The machine served them in the order they came in, which the Bank considers the fairest order and also the slowest, and your cash was counted out at the end of it. Ref. CIBT-2971-9A0E-0		
25 Jul	Deposit: Hall E	+8,190,800	194,929,756
	You write the amount on the envelope in figures and then again in words, and the words always run one letter longer than the figures would need. The officer reads the words. The figures have never once been wrong, and the Bank would not presume to tell you how to spell. Ref. CIBT-2971-4F34-6		
29 Jul	Payroll credit: Ganymede Heights Infirmary	+2,376,149	197,305,905
	A deduction of 2,376,149 for a staff canteen that closed in 2968 is still taken from the wage on the 29th. The canteen's last manager writes each spring to say that the lunches are still in the books, and the firm has agreed that they are. Ref. CIBT-2971-2DA2-4		
31 Jul	Interest at 3.90% APY	+608,645	197,914,550
	Asked whether the interest on this account is taxed, the Teller replies that it is, and that the tax is the only part of the account that has never once been late. Ref. CIBT-2971-0C49-5

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
