Opening balance	Credits	Debits	Closing balance
163,877,753 s	**+2,908,751 s**	**-12,246,157 s**	**154,540,347 s**

Date	Description	Amount (s)	Balance (s)
10 Jan	Memory Vault: box 67-100, quarter	-259,200	163,618,553
	The Teller notes that box 67-100 was paid for before its holder asked whether it was still available. This is the right order for a box, and the wrong order for almost everything else. Ref. CIBT-2974-CB3C-5		
21 Jan	Payroll credit: Ganymede Heights Infirmary	+2,376,149	165,994,702
	Wages from Ganymede Heights Infirmary crossed 2 clock boundaries on the way and arrived 30 Standard days late, though the clerk at Venus swears they left on time. The Bank has accepted the clerk's word and the arithmetic, which will not agree. Ref. CIBT-2974-161F-6		
23 Jan	Temporal Health Plan	-28,144	165,966,558
	The officer who processed this claim says the physiotherapist's receipts are the neatest on the register, and that the handwriting is good enough to be trusted. The officer asks that this be entered and nothing more added. Ref. CIBT-2974-721E-7		
26 Jan	Transfer to own account: Venus	-11,958,813	154,007,745
	The conversion to days was made to four places and rounded to two, which is the rule for sundries between worlds. The rounding came to 0.977 in your favour. Ref. CIBT-2974-D000-6		
31 Jan	Interest at 3.90% APY	+532,602	154,540,347
	The Tycho window pays interest by the lunar day, which runs slower than ours, so each statement here is a little older than the same month at Head Office. The Tycho officers say that a balance this patient is worth the wait, and they have seen a good many. Ref. CIBT-2974-CD78-0

February 2973 January 2974

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
