Opening balance	Credits	Debits	Closing balance
156,337,591 s	**+3,439,239 s**	**-729,411 s**	**159,047,419 s**

Date	Description	Amount (s)	Balance (s)
10 Jul	ATM withdrawal: São Paulo Sector	-259,200	156,078,391
	Note for the auditors: the withdrawal of 3 Standard days at São Paulo Sector appears on the machine's log a few seconds past the hour and on the branch ledger at the hour. Both are correct. The machine keeps its own time, and the branch keeps the other. Ref. CIBT-2976-5BB8-7		
11 Jul	Deposit: Hall E	+554,993	156,633,384
	The pay slip from Ganymede Heights Infirmary came folded round this envelope, and the counter has filed the two together, since they have not been apart for a single morning in the file. Ref. CIBT-2976-D404-6		
15 Jul	Slippage fee (São Paulo Sector, 9 transfers)	-8,100	156,625,284
	Your 9 crossings waited at the São Paulo Sector relay for 29 Standard days while a new operator asked the relay for its own reading before touching anything. The reading was written on the transfer slip, and the slip is the only record of it. The crossings have since gone through, and the slippage is charged for the crossing and not the wait. Ref. CIBT-2976-3C59-4		
18 Jul	ATM withdrawal: São Paulo Sector	-172,800	156,452,484
	You have withdrawn 58 days from the São Paulo Sector machine every Monday since 2973. The machine has begun to anticipate you, and says so on its screen, which was not part of its design. Ref. CIBT-2976-4C75-3		
23 Jul	Memory Vault: box 67-100, quarter	-259,200	156,193,284
	A line on the box file reads "keep as found", and the custodians have kept it as found for 2 quarters, dust included. The auditors have asked whether the dust is part of the box. The custodians say it is part of the holder. Ref. CIBT-2976-DE25-6		
25 Jul	Payroll credit: Ganymede Heights Infirmary	+2,376,149	158,569,433
	The Ganymede Heights Infirmary office at São Paulo Sector converts its wages from days at the posted rate. It keeps the local day of its own dock, so the pay period runs a shade longer than yours; no adjustment is made for this. Ref. CIBT-2976-71BC-3		
29 Jul	Temporal Health Plan	-30,111	158,539,322
	The plan's reviewer writes that your recovery is ahead of schedule, which the schedule had not allowed for. The reimbursement is unaffected, and the reviewer asks you not to take the remark personally. Ref. CIBT-2976-FFC6-7		
31 Jul	Interest at 3.90% APY	+508,097	159,047,419
	Interest for the Pallas Ring 10 day was posted an hour late. The relay that carries the close stopped to wait for the Authority's notice of the reference second, which arrived on the 31st, and the posting followed it. The hour has been paid at the posted rate. Ref. CIBT-2976-4137-3		

Closing balance, month by month

August 2975 July 2976

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
