Date	Description	Amount (s)	Balance (s)
01 Jul	Payroll credit: Ganymede Heights Infirmary	+2,376,149	436,812,208
	The rounding rule for Ganymede Heights Infirmary wages is applied after the receiving charge, not before it. The Bank has been asked to reverse the order twice and has declined both times. This month the difference is 1,500 seconds. Ref. CIBT-2992-DFFB-8		
05 Jul	Transfer to own account: Lagos Sector	-854,140	435,958,068
	A charge of 0.30 seconds for a stamp on a document that was never sent has been removed. The document is filed with your statement, unstamped, which the officer says is how it was meant to be kept. Ref. CIBT-2992-2933-3		
07 Jul	Memory Vault: box 67-100, quarter	-259,200	435,698,868
	Box 67-100: the custodian has measured the box's humidity twice this quarter and reports the two readings agree to the tenth of a point, a result the Vault records with some satisfaction. Ref. CIBT-2992-ED33-3		
14 Jul	Temporal Health Plan	-18,038	435,680,830
	A reimbursement landed on the wrong dentist's books, because a physiotherapist on Lagos Sector shares a surname with him. The two have been separated, the dentist has been paid nothing, and he has not yet complained, which the plan takes as a sign he has not noticed. Ref. CIBT-2992-5990-9		
31 Jul	Interest at 3.90% APY	+1,411,917	437,092,747
	The Ganymede Heights Infirmary savings scheme pays its interest on the first day of each quarter, and this line is the scheme's own figure, copied across without change. The Bank checked the copy against the scheme's and found no difference, which the officer says is the most that can be asked of any copy. Ref. CIBT-2992-2A54-4

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
