Date	Description	Amount (s)	Balance (s)
02 Jan	Slippage fee (Tallinn Sector, 2 transfers)	-1,800	312,271,518
	Internal audit has traced the 2 crossings to their sending branch and found that each was entered in the ledger in the order it was sent. This is unusual enough to be recorded, and the auditors have recorded it. Ref. CIBT-2996-9706-2		
07 Jan	ATM withdrawal: Tallinn Sector	-86,400	312,185,118
	The Teller says the machine was civil this time, and asks that the Bank not take this as a precedent. Ref. CIBT-2996-2341-0		
10 Jan	Payroll credit: Ganymede Heights Infirmary	+2,376,149	314,561,267
	The wage from Ganymede Heights Infirmary arrives on the 10th of each month and has done since 2992, in the same sum to the second. An officer at Hall E once suggested the employer post it a day early, and the employer declined on the grounds that it would then be early. Ref. CIBT-2996-E9A9-6		
11 Jan	Temporal Health Plan	-42,700	314,518,567
	The clerk who processed your reimbursement says it was the quietest claim she has handled since 2993. She has handled several thousand in the meantime, and this was the quietest of them. Ref. CIBT-2996-5E34-3		
19 Jan	Transfer to own account: Tallinn Sector	-1,714,602	312,803,965
	You ask for a receipt for every small sum you pay, including the sum you pay for the receipt. The counter has begun to write the second receipt on the back of the first, and the sundry is charged once for the pair. Ref. CIBT-2996-5137-6		
26 Jan	Memory Vault: box 67-100, quarter	-259,200	312,544,765
	Box 67-100: the same rental as every quarter since 2995, paid on the day the Vault sends its reminder, which you have not yet opened. Ref. CIBT-2996-B416-9		
31 Jan	Interest at 3.90% APY	+1,014,888	313,559,653
	The Teller was asked whether interest is paid at weekends. She said it is paid on every day the Bank is open, and that the Bank has never once asked for a weekend off, which she considers the only sensible answer. Ref. CIBT-2996-0639-8		

Closing balance, month by month

February 2995 January 2996

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
