Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
219,985,271 s	**+8,735,046 s**	**-303,288 s**	**228,417,029 s**

Date	Description	Amount (s)	Balance (s)
05 Jan	Memory Vault: box 67-100, quarter	-259,200	219,726,071
	Box 67-100, quarterly rental. A recollection in the box dried at one corner at the last inspection; the custodian has pressed it flat and written the date on the back, which the Vault counts as a repair and not as a change. Ref. CIBT-3002-BE1E-0		
11 Jan	Payroll credit: Ganymede Heights Infirmary	+2,376,149	222,102,220
	The wage pays a monthly subscription to a library of seed catalogues in Callisto. A new catalogue is posted each season, and the library expects the last one to have been read before the next arrives. Ref. CIBT-3002-44DF-9		
21 Jan	Temporal Health Plan	-39,588	222,062,632
	Ganymede Heights Infirmary pays the premium for your cover, and the plan tells you each year which share is the firm's. This year the firm's share was a third of the premium, a proportion the plan has not seen changed since 2998. Ref. CIBT-3002-1726-5		
22 Jan	Slippage fee (Callisto, 5 transfers)	-4,500	222,058,132
	Your transfers were routed through Callisto because the direct relay is closed for maintenance. The Bank does not charge for the detour itself, though the extra seconds spent on the road are charged, and this month they came to 900. Ref. CIBT-3002-6718-1		
30 Jan	Deposit: Hall E	+5,643,945	227,702,077
	A query on the 30th deposit: the counter slip was keyed a day late and the machine tape a day early. Both are correct for the branch that keyed them, and the difference has been recorded as the branch's own calendar. Ref. CIBT-3002-3ED0-3		
31 Jan	Interest at 3.90% APY	+714,952	228,417,029
	The Teller asked whether the interest was enough. You said it was the interest's business and not yours, the Teller agreed, and the interest was paid in full. Ref. CIBT-3002-DDDD-9

February 3001 January 3002

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
