Hamid Valderrama-Eskeland
Unit 241, Pallas Ring 10

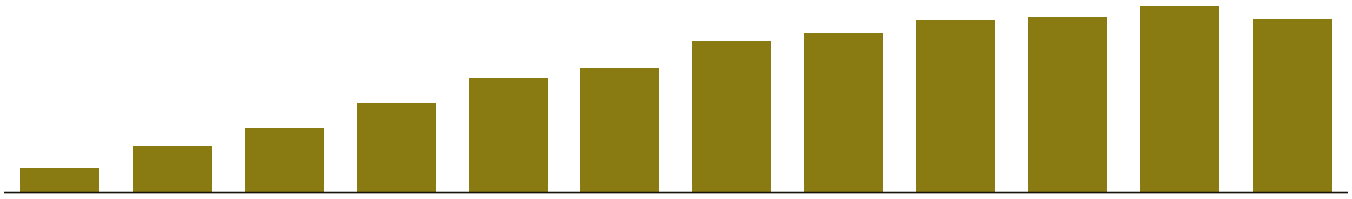

Account 8564-7984-5708
Period 1–31 July 2960
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
1,268,947,233 s	**+12,562,508 s**	**-77,631,914 s**	**1,203,877,827 s**

Date	Description	Amount (s)	Balance (s)
04 Jul	Transfer to joint account	-5,063,058	1,263,884,175
	Each month you and Mateo Lindqvist-Fothergill send each other the same small transfer, one whole day in each direction. It nets to nothing and is never explained, and the officers have stopped asking and simply file the pair together. Ref. CIBT-2960-91D3-4		
05 Jul	Transfer to own account: London Sector	-72,136,856	1,191,747,319
	You pay the sundry at the counter, then ask the teller to read the slip back to you in full. She reads it. You thank her. The officers have timed this at eleven seconds and have not billed for them. Ref. CIBT-2960-4A1D-3		
06 Jul	Payroll credit: Phobos Drydock	+8,438,430	1,200,185,749
	The Phobos Drydock credit for the 6th was first shown at the previous month's rate, a figure the payroll office had sent in error and then sent again correctly. The corrected sum is the one on this line, and the earlier one has been cancelled. Ref. CIBT-2960-E81B-9		
18 Jul	ATM withdrawal: London Sector	-172,800	1,200,012,949
	The sum shows 0.951 of a day less on this statement than it was taken for, because the machine rounds to the nearest whole day and the Bank rounds the receipt down. Both figures are shown, and neither is wrong. Ref. CIBT-2960-F783-1		
29 Jul	Memory Vault: box 39-589, quarter	-259,200	1,199,753,749
	The rental was paid on the 29th but not posted for 28 days, because the receipt had gone to the sub-level in days and had to be converted before the Vault would accept it. Ref. CIBT-2960-D3F6-2		
31 Jul	Interest at 3.90% APY	+4,124,078	1,203,877,827
	Interest is also credited each month on a sum of 4,124,078 that no deposit on the account explains. It has been credited since 2959, at the posted rate, and the Bank has neither found its source nor been asked to. The sum is in the balance; the reason is not in the file. Ref. CIBT-2960-845E-9		

Closing balance, month by month

August 2959 July 2960

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
