Hamid Valderrama-Eskeland
Unit 315, Pallas Ring 10

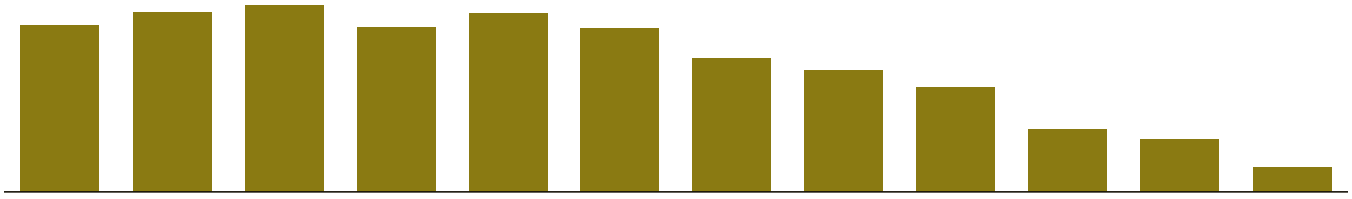

Account 8564-7984-5708
Period 1–31 October 2991
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
1,157,740,496 s	**+12,201,086 s**	**-92,657,749 s**	**1,077,283,833 s**

Date	Description	Amount (s)	Balance (s)
07 Oct	Memory Vault: box 39-589, quarter	-259,200	1,157,481,296
	A second receipt for box 39-589 has been issued free of charge, the first having been pressed flat in a book and read through. The Vault wished to confirm that the figure was not an effect of the paper. Ref. CIBT-2991-AF9F-5		
10 Oct	Transfer to joint account	-5,063,058	1,152,418,238
	At the counter, two people agree on the figure before it is written and disagree about it afterwards, and this is the only account where that happens. The figure has never changed, so the disagreement must be what the account is for. Ref. CIBT-2991-114F-3		
11 Oct	Payroll credit: Phobos Drydock	+8,438,430	1,160,856,668
	The payroll transfer was held in the envelope that came with the mandate while the employer's office confirmed the sum, which it did on the 11th. The credit was posted the same afternoon, and the employer has asked that the confirmation be filed with this statement. Ref. CIBT-2991-DCCA-0		
20 Oct	Transfer to own account: Singapore Sector	-87,335,491	1,073,521,177
	Cash of 87,335,491 was paid in at the counter as a sundry deposit. The Teller counted it twice and then asked whether you had brought anything else. You had not, and said so in the tone of someone who wished they had. Ref. CIBT-2991-7221-7		
31 Oct	Interest at 3.90% APY	+3,762,656	1,077,283,833
	Auditors' query on the 31st: the interest for 5 periods sums to the year's figure on the last page. The one second that does not appear there is listed separately as a rounding, in the depositor's favour. Ref. CIBT-2991-E26B-2		

Closing balance, month by month

November 2990 October 2991

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
