Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
1,040,914,310 s	**+105,142,356 s**	**-5,149,458 s**	**1,140,907,208 s**

Date	Description	Amount (s)	Balance (s)
06 Jun	Deposit: Hall E	+93,320,955	1,134,235,265
	Phobos Drydock pays into this account in the morning and draws the same sum out in the afternoon, and the statement shows both lines in that order, which the auditors call the only honest order for them. Ref. CIBT-3012-9845-6		
08 Jun	Transfer to joint account	-5,063,058	1,129,172,207
	You each visit Hall E in alternate weeks to check the joint balance, and each of you is told the figure the other saw. The Bank has no objection to the arrangement and does not intend to suggest a change. Ref. CIBT-3012-41E8-4		
17 Jun	Payroll credit: Phobos Drydock	+8,438,430	1,137,610,637
	The Phobos Drydock credit was held at Luna while the local exchange finished its own rounding, the exchange taking the whole day and the remitter the nearest five seconds. The two did not agree until 29 days had passed, and the credit was made on the morning they did. Ref. CIBT-3012-82A4-1		
17 Jun	ATM withdrawal: Luna	-86,400	1,137,524,237
	Asked to confirm the withdrawal at Luna, you gave the same answer twice. The Teller describes this as the only sensible reply the machine has ever been given. Ref. CIBT-3012-33C6-1		
30 Jun	Interest at 3.90% APY	+3,382,971	1,140,907,208
	Interest is calculated to the tenth of a second and paid to the whole second. The tenths are gathered each year into a line of their own, which the officer calls the depositor's fortune, though nobody has yet found a way to spend it. Ref. CIBT-3012-A599-0		

Closing balance, month by month

July 3011 June 3012

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
