Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
938,537,580 s	**+14,261,142 s**	**-2,925,770 s**	**949,872,952 s**

Date	Description	Amount (s)	Balance (s)
10 Jun	ATM withdrawal: New Orleans Sector	-259,200	938,278,380
	Brymar College has asked that its staff's cash-time be drawn in a single sum at the start of the month. You are the only member of staff who has asked the machine to split it, and it has agreed, on your account, twice. Ref. CIBT-3000-614F-0		
17 Jun	Deposit: Hall E	+7,003,246	945,281,626
	You have put your deposits through the same slot at Hall E for 8 years, and the slot has begun to take the shape of your hand. The Bank has no intention of repairing it. Ref. CIBT-3000-CB78-9		
24 Jun	Payroll credit: Brymar College	+4,442,284	949,723,910
	Your Brymar College wage is always paid in before you draw down the previous period's, a habit the Bank notes without comment. This period it arrived on the 24th, the earliest yet. Ref. CIBT-3000-19D8-5		
24 Jun	Slippage fee (New Orleans Sector, 4 transfers)	-1,200	949,722,710
	A crossing that begins at the New Orleans Sector relay is charged on the day it starts on Mars, which is not always the day it ends on Earth. The Teller has explained this twice, and the Bank regards it as settled. Ref. CIBT-3000-7042-0		
28 Jun	Transfer to joint account	-2,665,370	947,057,340
	Your share of the joint pension fund arrived 31 days late. The trustee's form was signed on the wrong line, and the form had to be sent back before the Bank could pay out the sum. Ref. CIBT-3000-CB49-7		
30 Jun	Interest at 3.60% APY	+2,815,612	949,872,952
	When Brymar College moved its payroll to another desk, this month's interest arrived a day late, in the envelope of a clerk who had never carried one before. The clerk has been asked to keep the envelope for next time. Ref. CIBT-3000-9786-7		

Closing balance, month by month

Highest 1,202,350,772 s · lowest 930,579,280 s

July 2999 June 3000

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
