Period 1–31 January 3003
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
266,216,963 s	**+14,229,014 s**	**-304,042 s**	**280,141,935 s**

Date	Description	Amount (s)	Balance (s)
02 Jan	Payroll credit: St. Catherine Bakeries	+1,227,386	267,444,349
	The St. Catherine Bakeries office at Mars Station sends its pay in sols on the sixth day of that world's week. The remittance waited on the lower landing, past the second gate until the local office confirmed that the week had been kept, and it is credited on this statement. Ref. CIBT-3003-5F89-4		
06 Jan	Deposit: Hall E	+12,158,608	279,602,957
	You bring this deposit on the 6th of each month in an unmarked envelope with the slip already filled out, always in the same pen. The officers have begun to read the pen before the slip. Ref. CIBT-3003-B24A-1		
21 Jan	Slippage fee (Mars Station, 8 transfers)	-2,400	279,600,557
	You send a transfer to Mars Station on the 21st of every month since 3000, and the officer has taken to having the form ready before you arrive. The fee has not varied by a second in that time. Ref. CIBT-3003-CAAE-4		
25 Jan	Temporal Health Plan	-42,442	279,558,115
	A standing premium for 29 people is paid by St. Catherine Bakeries each month, with your share taken from your pay. The share has been the same since 3000, and the plan has stopped asking whether the policy is still needed. Ref. CIBT-3003-FC01-2		
30 Jan	Memory Vault: box 33-416, quarter	-259,200	279,298,915
	The rent on box 33-416 has been collected by the same courier since 3002, who has never once missed a landing. The courier's own rent is paid from 8564-8564-1133, which the Vault regards as a sensible arrangement between neighbours. Ref. CIBT-3003-60B6-0		
31 Jan	Interest at 3.80% APY	+843,020	280,141,935
	The rate on the 31st line was printed as APR, the measure for an account that compounds by the month, when this account compounds by the second. The figure is 3.80% APY, the interest has been worked again from it, and the difference is credited below. Ref. CIBT-3003-55D6-6		

Closing balance, month by month

February 3002 January 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
