Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
262,542,654 s	**+2,058,771 s**	**-10,264,518 s**	**254,336,907 s**

Date	Description	Amount (s)	Balance (s)
01 Jul	Memory Vault: box 33-416, quarter	-259,200	262,283,454
	Contents of box 33-416 were inspected in the presence of a second custodian, who reports them in order and notes that one item has been resealed with a new label. Ref. CIBT-3003-A060-3		
03 Jul	Temporal Health Plan	-32,969	262,250,485
	A replacement pair of spectacles was paid for on the understanding that the old pair would not be found, which the plan regards as the normal condition of spectacles. The old pair was found on Mars Station the following week and has been filed with the claim. Ref. CIBT-3003-BE92-0		
04 Jul	Slippage fee (Mars Station, 5 transfers)	-3,000	262,247,485
	The Mars Station branch keeps a day a little shorter than ours, so 5 of your crossings were charged for the difference in sols. The fee is in the posted rates; the length of the day is not the Bank's to change. Ref. CIBT-3003-3A8E-9		
06 Jul	Transfer to own account: Mars Station	-9,882,949	252,364,536
	For the auditors: this sundry line is a fee for a stamp the Bank does not sell. The stamp was affixed to a letter in 2998, and the file has held it since. The fee should be recorded as a fee and not as a stamp. Ref. CIBT-3003-7F2B-9		
12 Jul	ATM withdrawal: Mars Station	-86,400	252,278,136
	You draw One Standard day at Mars Station on the 12th of each month, and the receipt reads "as before." The machine has printed those two words since 3001, and you have never once asked it for more. Ref. CIBT-3003-FAA9-5		
17 Jul	Payroll credit: St. Catherine Bakeries	+1,227,386	253,505,522
	The wage arrived on a day the Teller had taken off. The credit has been made as though she had been at the counter to witness it, and she has been at the counter every day since. Ref. CIBT-3003-4518-8		
31 Jul	Interest at 3.80% APY	+831,385	254,336,907
	Your employer's pay was credited on the 31st, and interest on it was reckoned from the first second of the month, a date on which the money was not yet yours. The Bank has taken the view that the wages belonged to the employer until they arrived, and so did the interest. The employer has not objected, and the difference has been credited to you as a courtesy. Ref. CIBT-3003-A6ED-4

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
