Opening balance	Credits	Debits	Closing balance
109,582,877 s	**+1,533,221 s**	**-2,212,890 s**	**108,903,208 s**

Date	Description	Amount (s)	Balance (s)
16 Sep	ATM withdrawal: Montréal Sector	-172,800	109,410,077
	The machine at Montréal Sector was found to be holding 0.960 day more than its log showed, which the Committee has entered as stock. The surplus was counted, sealed and returned to the tray, and the log has been amended to agree with it. Ref. CIBT-3003-B1F4-5		
17 Sep	ATM withdrawal: Montréal Sector	-86,400	109,323,677
	A bird had built in the cash slot at Montréal Sector, and the withdrawal of One Standard day waited 29 days until a custodian moved the nest. The nest was returned to the bird, and the cash was counted without difficulty. Ref. CIBT-3003-98F3-2		
19 Sep	Transfer to own account: Montréal Sector	-1,953,690	107,369,987
	This item was keyed to the account of a depositor with a similar number. The clerk has been retrained, the sum has been moved to yours, and the other depositor has not been told, which they would not thank us for. Ref. CIBT-3003-1972-9		
20 Sep	Payroll credit: the Lagrange Four Commissary	+1,186,209	108,556,196
	The Lagrange Four Commissary at Montréal Sector is paid in seconds and converts its own wages into days before they reach us, in a hand so neat that the Bank has never once needed to check it. The office asks only that its sums be read from the top. Ref. CIBT-3003-9FB1-0		
30 Sep	Interest at 3.80% APY	+347,012	108,903,208
	The posted rate is rounded to the nearest tenth of a percent before it is applied, so 3.80% APY is in fact a little under the figure, and the account is treated as though it were exact. Ref. CIBT-3003-BBA9-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
