| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 12 Aug | Payroll credit: Cloudport Aerostat Lines | +1,389,714 | 335,568,633 |
| | Audit finding on the payroll line: the Cloudport Aerostat Lines advice was keyed from a card copy, not the original, and the two agree. The card has been in use for 10 years, and the auditors recommend replacing it. The firm has declined. Ref. CIBT-3003-D1B0-9 | | |
| 24 Aug | Mech Veterans' Time Pension | +551,328 | 336,119,961 |
| | Each month the pension goes into 8564-8564-6769, and the same sum goes out that afternoon to 8564-9473-4036, a second account opened for it in 2998. The two accounts end the month exactly as they began, and the Office sends you a statement of the nothing between them. Ref. CIBT-3003-87B7-0 | | |
| 28 Aug | Deposit: Hall E | +4,667,673 | 340,787,634 |
| | Cloudport Aerostat Lines deposits its staff surplus at the window in notes it has already counted twice. The Bank counts them a third time out of thoroughness, and finds them as they were when they left the office. Ref. CIBT-3003-E4B3-6 | | |
| 31 Aug | Interest at 3.50% APY | +974,688 | 341,762,322 |
| | Reading the rate from the card, the Teller keeps her thumb over the last two digits so that you can give the figure yourself. You do, and she says you were right, and that she would have been quicker. Ref. CIBT-3003-CC79-4 | | |
