Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
341,762,322 s	**+6,358,060 s**	**-56,956 s**	**348,063,426 s**

Date	Description	Amount (s)	Balance (s)
13 Sep	Mech Veterans' Time Pension	+771,575	342,533,897
	While the Pensions Office waited for the last veterans in the Hall E district to draw theirs, this pension was held 29 days, so that the sums could be counted against one another. Yours was among the last, and it arrived on the morning it was due, having been counted in the same van. Ref. CIBT-3003-A766-6		
20 Sep	Deposit: Hall E	+4,589,679	347,123,576
	For the auditors: the deposit of 4,589,679 on the 20th agrees with the teller's slip, the machine tape and the night-safe log, to the second. The depositor is asked to do nothing further. Ref. CIBT-3003-FAF4-5		
21 Sep	Event II restoration adjustment	-55,756	347,067,820
	An adjustment made under the Event II Rider as part of the scheduled restoration of affected balances. The Recovery Task Force will publish the reasons for this adjustment in due course. Ref. CIBT-3003-6818-3		
22 Sep	Slippage fee (Luna, 4 transfers)	-1,200	347,066,620
	The relay's report for the 22nd was keyed by its own day, a day ahead of the Head Office's, and the fee has been moved to the day the transfer was sent. The relay's day was never the transfer's to keep. Ref. CIBT-3003-ADED-8		
30 Sep	Interest at 3.50% APY	+996,806	348,063,426
	Your employer's bonus was held for 29 days at its own office before it was sent, and the interest on it accrued in the firm's books and not in ours. The statement shows the interest as it arrived, which was late, and as it was earned, which was not. Ref. CIBT-3003-345B-0		

Closing balance, month by month

October 3002 September 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
