Date	Description	Amount (s)	Balance (s)
01 Jan	Transfer to joint account	-81,004	25,015,334
	The joint account is kept by two branches on two worlds. Hall E runs the balance in its local day and Bronx Sector runs the other half in its own. Both figures are printed to the same second, the only point on which the two offices have agreed this year. Ref. CIBT-2986-6FB8-3		
06 Jan	Deposit: Hall E	+2,483,765	27,499,099
	The deposit arrived on the 6th with a note tucked under the slip: "for the account, not for the interest." The note is kept with the slip, and the interest has been left alone. Ref. CIBT-2986-BB58-8		
11 Jan	Temporal Health Plan	-31,979	27,467,120
	Care at Bronx Sector is paid on the local count of days, which runs 31 Standard days longer than ours. The plan pays for the extra days and asks that they not be counted again at the desk, where they have a way of returning. Ref. CIBT-2986-CEBD-7		
16 Jan	Payroll credit: Ganymede Heights Infirmary	+135,007	27,602,127
	Overtime from Ganymede Heights Infirmary for the period came to 135,007, and was taken down to the whole day as the schedule requires. The remainder is not lost; it sits in the employer's own column, which the employer has asked us to keep, and we have. Ref. CIBT-2986-412A-3		
31 Jan	Interest at 3.50% APY	+73,197	27,675,324
	The auditors who went through the Hall E ledgers this year asked why this line was one second short of the reckoning. The answer is on file: the first second of the period is not counted, by agreement, and the auditors have accepted it with some reluctance. Ref. CIBT-2986-73CD-8

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
