Date	Description	Amount (s)	Balance (s)
01 Aug	Payroll credit: Cloudport Aerostat Lines	+666,244	66,096,887
	The Cloudport Aerostat Lines credit on your last statement was entered twice, once when it was sent and once when it arrived. Only the second entry belongs to this period, and the first has been removed. Ref. CIBT-3003-D1E8-0		
20 Aug	Transfer to own account: Luna	-2,147,629	63,949,258
	A small book of sundries is carried into Hall E and read line by line against the officer's copy while the officer watches. The two agree at every line, and the book is handed back with its corners turned. Ref. CIBT-3003-0315-9		
21 Aug	Slippage fee (Luna, 1 transfers)	-600	63,948,658
	Internal audit sampled this line against three months of crossings and finds the fee moves with the relay's cooling fan, which runs faster in the afternoon. The auditors have asked for the fan to be entered as a cost centre, and the fan has not been consulted. Ref. CIBT-3003-1FA3-3		
21 Aug	Temporal Health Plan	-23,105	63,925,553
	The fee for the 21st consultation was not taken, the clinic having closed for the afternoon and the plan declining to bill for a waiting room nobody sat in. The chairs have been counted, and all of them were empty. Ref. CIBT-3003-5BC9-1		
26 Aug	Turbulence Cover	-8,315	63,917,238
	A delay on the Luna run is measured by the crossing bell, which is rung 5 times before the boat leaves on a fair day and rather more on any other. The Bank has accepted the bell as the official clock for the route, and the bell has accepted nothing. Ref. CIBT-3003-A84F-1		
31 Aug	Interest at 3.20% APY	+174,481	64,091,719
	The monthly interest from Cloudport Aerostat Lines's deposit in your name is credited here on the 31st. The firm asks that the figure be shown separately each month, and it has been, in the same small type. Ref. CIBT-3003-73D5-5

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
