Opening balance	Credits	Debits	Closing balance
547,742,828 s	**+6,072,268 s**	**-121,677 s**	**553,693,419 s**

Date	Description	Amount (s)	Balance (s)
08 Jul	Slippage fee (Mars Station, 1 transfers)	-900	547,741,928
	Your transfer to the Positive Contact desk at Mars Station crossed on the desk's own seconds, which run longer than ours by a margin the desk prefers not to name. The fee of 900 s is the Bank's; the margin is the desk's; the statement keeps the two apart as a courtesy to both. Ref. CIBT-3008-5050-5		
13 Jul	Temporal Health Plan	-34,377	547,707,551
	The plan will not charge the handling fee on your premium while it is paid in sols. The plan's view is that a member who pays in units the plan does not use has already done enough. Ref. CIBT-3008-350C-2		
13 Jul	Deposit: Hall E	+661,512	548,369,063
	You count your money in pencil on the back of the slip before you hand it over, and the window counts it again in ink. The two figures have agreed on every occasion since 3004, and you treat the agreement as a private matter between the pencil and the ink. Ref. CIBT-3008-EF7E-6		
22 Jul	Payroll credit: St. Catherine Bakeries	+3,265,430	551,634,493
	St. Catherine Bakeries asked for the handling charge on your pay to be reversed, on the grounds that it had already been paid, and then asked for it to be charged to you, on the grounds that it was yours. The first request has been taken, and the second filed. Ref. CIBT-3008-C45C-2		
24 Jul	ATM withdrawal: Mars Station	-86,400	551,548,093
	The Committee's sample of cash-time withdrawals at Mars Station for 3006 included yours, and found it in order to the second. It asks us to say that it found nothing else, which the Committee considers a finding in itself. Ref. CIBT-3008-18DB-2		
31 Jul	Interest at 4.70% APY	+2,145,326	553,693,419
	Interest credited from Mars Station was converted at the posted rate. The depositor disputed the rate on the ground that the other office's clock runs ahead of ours. The Bank has recorded both the dispute and the rate, and the depositor has accepted the rate while keeping the dispute. Ref. CIBT-3008-B6B9-6

August 3007 July 3008

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
