Period 1–31 March 3022
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
459,352,339 s	**+19,710,386 s**	**-16,110 s**	**479,046,615 s**

Date	Description	Amount (s)	Balance (s)
01 Mar	Temporal Health Plan	-15,210	459,337,129
	You call the plan's line on the first working day of each month to hear the premium read back, and you repeat each figure after it. The line keeps no record of callers, but the plan has noted that the figure was confirmed on the 1st. Ref. CIBT-3022-0632-2		
10 Mar	Deposit: Hall E	+14,645,827	473,982,956
	The window stamps each deposit with its number, the day and the initial of whoever counted it, which the window describes as the three things a stamp should always contain and rarely does. Ref. CIBT-3022-3ADA-8		
23 Mar	Payroll credit: St. Catherine Bakeries	+3,265,430	477,248,386
	Each year on the day your wage is first credited you send the Bank a card with one word on it, received, and the card goes into the file with the others. The file is now thick enough that the Teller dates it by the cards. Ref. CIBT-3022-6DEE-9		
26 Mar	Slippage fee (Nairobi Sector, 3 transfers)	-900	477,247,486
	"It is not the Bank's fault," the Teller says, "that the far side keeps a different day. The Bank is only responsible for the arithmetic, and the arithmetic has been checked twice." Ref. CIBT-3022-F9A2-1		
31 Mar	Interest at 4.70% APY	+1,799,129	479,046,615
	Interest is paid every month into a savings line at 8564-2133-6517 by standing instruction, so the month's figure leaves the account before the depositor has finished reading it. The savings line keeps it for a rainy day, and the rainy day has not yet been named. Ref. CIBT-3022-D4B2-5		

Closing balance, month by month

April 3021 March 3022

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
