Opening balance	Credits	Debits	Closing balance
371,838,712 s	**+4,721,798 s**	**-21,096,130 s**	**355,464,380 s**

Date	Description	Amount (s)	Balance (s)
01 Jan	Transfer to own account: Kepler Ring	-20,561,561	351,277,151
	Last quarter's sundry of 20,561,561 was keyed from the form for the year before, when the rate was different. The correct figure is 0.30 s. The difference has been credited to you, and the old line is struck through in full so that the mistake can be seen to be the Bank's and a plain one. Ref. CIBT-3028-49F2-4		
11 Jan	Payroll credit: St. Catherine Bakeries	+3,265,430	354,542,581
	The St. Catherine Bakeries figure was 0.30 seconds below the sum the employer gave us, and the Bank has added the difference back at the posted rate. The rounding clause in your terms says the wage is shown in whole seconds. It does not say which whole second. Ref. CIBT-3028-710F-7		
15 Jan	ATM withdrawal: Kepler Ring	-259,200	354,283,381
	An earlier statement placed your withdrawal at Kepler Ring at the Hall E counter. It was not. The entry has been moved to the machine, where it was made, and the Bank has written to say so. Ref. CIBT-3028-B445-8		
26 Jan	Temporal Health Plan	-16,169	354,267,212
	Payment is 31 days late, because the turn rate for the provider's office had not been published when the claim arrived. The rate came out on the day it was needed, which the plan considers a sign of good order. Ref. CIBT-3028-C03E-0		
27 Jan	ATM withdrawal: Kepler Ring	-259,200	354,008,012
	A withdrawal at Kepler Ring was posted to a branch account with the same number and a different check digit. The entry has moved to yours, and the other account has been reconciled to the second. Ref. CIBT-3028-5D12-5		
31 Jan	Interest at 4.70% APY	+1,456,368	355,464,380
	This period's interest is the largest it has ever been, and the officer says she was not consulted about its size and does not propose to be. Ref. CIBT-3028-2082-9		

Closing balance, month by month

February 3027 January 3028

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
