Period 1–31 July 2972
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
1,541,170,322 s	+12,669,606 s	-179,705,399 s	1,374,134,529 s

Date	Description	Amount (s)	Balance (s)
06 Jul	Transfer to own account: Oakland Sector	-179,014,199	1,362,156,123
	Copies are charged by the page, and any part of a day left over from a sheet is rounded up, so 51 pages cost one day more than their arithmetic. The Bank regards this as the way its sums are done, not as a charge. Ref. CIBT-2972-50E9-9		
10 Jul	ATM withdrawal: Oakland Sector	-259,200	1,361,896,923
	The same 3 Standard days, in the same notes, each month. The next morning the branch asks whether it was the same notes. It was, and a set has been kept aside for you. Ref. CIBT-2972-1B22-7		
10 Jul	ATM withdrawal: Oakland Sector	-172,800	1,361,724,123
	A 0.30 s charge was struck from the 10th withdrawal, the withdrawal having been made from the machine by the lifts and not the one by the window. The cash was correct, the machine was not, and the Bank has decided to bill the machine instead. Ref. CIBT-2972-9A61-7		
19 Jul	Memory Vault: box 88-730, quarter	-259,200	1,361,464,923
	The sealing on box 88-730 was checked while the kettle in the back room came to the boil, and the custodians have agreed to check it again in the same place next quarter, wax being known to hold best where it has always been looked at. Ref. CIBT-2972-8788-5		
28 Jul	Payroll credit: Titan Methane Works	+8,559,819	1,370,024,742
	The Titan Methane Works pay reached Oakland Sector, a branch that had been closed for 30 days, so the Bank held the credit in its night safe until the branch could take it in. It was posted on the morning it could be, with the interest it had earned while it waited. Ref. CIBT-2972-7D1A-9		
31 Jul	Interest at 3.20% APY	+4,109,787	1,374,134,529
	Once a year, on the 31st, you take the whole year's interest out in coins and put it back before the counter closes. The officer records this as one transaction, which it is in every respect except the paperwork. Ref. CIBT-2972-8523-2		

Closing balance, month by month

August 2971 July 2972

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
