Opening balance	Credits	Debits	Closing balance
785,958,335 s	**+10,655,707 s**	**-49,067,399 s**	**747,546,643 s**

Date	Description	Amount (s)	Balance (s)
01 Jun	Slippage fee (Delhi Sector, 2 transfers)	-1,800	785,956,535
	You arrive at the relay's hatch a little before it opens and wait until the first light falls on the sill, after which you send the transfers in a single movement. The operator has begun to open the hatch on the first light, to save you the wait, and has been told it need not. Ref. CIBT-3002-9A77-9		
03 Jun	Payroll credit: Titan Methane Works	+8,559,819	794,516,354
	The relay at Delhi Sector held the credit for 2 seconds while it waited for the Authority's reference signal to settle. The payment was not lost, only early and then late, and the Bank has settled the difference in your favour. Ref. CIBT-3002-8AC8-1		
21 Jun	ATM withdrawal: Delhi Sector	-86,400	794,429,954
	The receipt printed at Delhi Sector on the 21st, but the withdrawal was not recorded until 30 days later. The machine had been asked to hold its entries until the local day closed, and it did. The receipt also carries a second reference that belongs to an account with no holder's name; the custodian has filed it with the first. Ref. CIBT-3002-8A64-4		
26 Jun	Transfer to own account: Delhi Sector	-48,979,199	745,450,755
	This charge was worked out to four places and rounded to the whole second, as the rule requires for anything under one day. The rounding came out 40 seconds in the Bank's favour, and the Bank has kept them. Ref. CIBT-3002-609B-2		
30 Jun	Interest at 3.20% APY	+2,095,888	747,546,643
	Interest accrues every second in the account's own unit. On Delhi Sector that unit is day, so the 3.20 rate is applied to the local count and converted at the posted rate on the 30th, and the working is shown below the line. Ref. CIBT-3002-531D-8		

Closing balance, month by month

July 3001 June 3002

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
