Rafe Gunnarsdottir
Unit 317, Pallas Ring 10

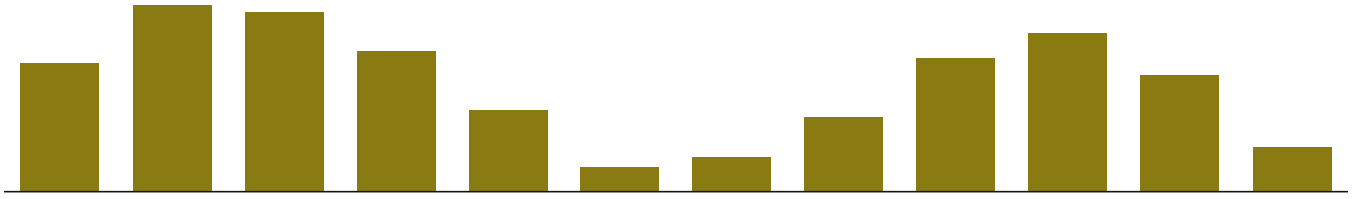

Account 8564-8933-5708
Period 1–31 January 3012
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
1,376,723,528 s	**+12,231,081 s**	**-254,095,973 s**	**1,134,858,636 s**

Date	Description	Amount (s)	Balance (s)
11 Jan	ATM withdrawal: Oakland Sector	-259,200	1,376,464,328
	The withdrawal of 259,200 came out of the machine in whole days, so the sum you asked for was rounded to the nearest of them. The 0.974 left over stayed on the account, where it is still in the machine's hands. Ref. CIBT-3012-81E5-5		
17 Jan	Transfer to own account: Oakland Sector	-253,577,573	1,122,886,755
	The transfer from Rafe Szabo was sent with a reference in days and a sum in seconds, and the clerk at Hall E asked for both to be the same. They were not. The sum has been posted as sent, and the reference has been left as it came. Ref. CIBT-3012-10E6-8		
19 Jan	Memory Vault: box 88-730, quarter	-259,200	1,122,627,555
	Box 88-730 was entered as in transit on the 19th, because a custodian wrote the sub-level's name over the box's own in pencil. The pencil has been rubbed out, and the box is recorded on its lower shelf, where it has been all along. Ref. CIBT-3012-2117-1		
24 Jan	Payroll credit: Titan Methane Works	+8,559,819	1,131,187,374
	The exchange fee of 0.30 seconds was not taken on the wage from Titan Methane Works. The Bank has decided that a wage paid in the right week should not be charged for the crossing. Ref. CIBT-3012-5E8B-2		
31 Jan	Interest at 3.20% APY	+3,671,262	1,134,858,636
	A fraction of a second was lost when the interest was converted from days, because the conversion table was printed one line too early. The line has been reprinted, and the second is returned, with the Bank's compliments on its arithmetic. Ref. CIBT-3012-D458-7		

Closing balance, month by month

February 3011 January 3012

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
