Date	Description	Amount (s)	Balance (s)
05 May	Payroll credit: Belt Ore Consolidated	+153,415	26,201,043
	The Teller records that you asked for the credit in the smaller notes, then asked for it to be counted again, and that this is the only such request the branch has received this year. Ref. CIBT-2995-02A1-9		
09 May	Deposit: Hall E	+574,189	26,775,232
	The envelope was first credited to 8564-1419-5789, because the two account numbers differ only in their last four figures and the window read the wrong four. The mistake was caught at the close of the day, and the sum moved back with the slip attached. Ref. CIBT-2995-EA3C-9		
16 May	Slippage fee (New Orleans Sector, 5 transfers)	-1,500	26,773,732
	Slippage is rounded after the currency is converted and not before, a point the Bank's rounding clerk raised in 2992. The relay's operator has not yet accepted it, and each month the two figures differ by 0.941, which both sides agree is small. Ref. CIBT-2995-EBE9-8		
28 May	Temporal Health Plan	-30,544	26,743,188
	The annual audit asked for the plan's rounding on members' claims to be shown in full. It is set out on the attached schedule, which runs to 19 pages and which the auditors say is the only document of its kind they have read twice. Ref. CIBT-2995-57EB-0		
30 May	Mech Veterans' Time Pension	+69,445	26,812,633
	Paid at New Orleans Sector to your account in days, by a clerk who had the rate written on the back of your envelope before the sum was counted. The conversion is posted at the rate on the day of payment. Ref. CIBT-2995-735D-4		
31 May	Interest at 4.70% APY	+102,019	26,914,652
	The 31st line applied the old rate to the whole period, although the new rate took effect 30 days in. The period has been split at the change, and the 45 seconds owed to you are credited below. Ref. CIBT-2995-211E-4
