Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
28,295,812 s	**+317,642 s**	**-122,042 s**	**28,491,412 s**

Date	Description	Amount (s)	Balance (s)
02 Jul	Slippage fee (Nairobi Sector, 2 transfers)	-600	28,295,212
	A cable carrying the Nairobi Sector signal was cut by a utility crew on the 2nd. The transfers were held until it was spliced. The crew has been thanked for the splice, which was done neatly enough to be missed. Ref. CIBT-2995-AF8A-3		
05 Jul	Transfer to own account: Nairobi Sector	-85,928	28,209,284
	A charge of 85,928 listed as a transfer to Ulla Grisolm was in fact a transfer to Ulla Grisolm's account at Nairobi Sector, which is a different account. The Bank has written to that holder, who replied that the sum was unexpected and welcome. Ref. CIBT-2995-3E07-0		
09 Jul	Temporal Health Plan	-35,514	28,173,770
	The plan's counter asks us to record that the member brought her receipts in a shoebox, sorted by weekday, and that every weekday was correct. The counter has not seen this before and has said so twice. Ref. CIBT-2995-89BD-4		
16 Jul	Mech Veterans' Time Pension	+53,402	28,227,172
	Last quarter's pension was printed with the veteran's service number where the rank belongs. The Office corrected it by printing the rank in brackets beside the number, a mistake that has since been removed as well. Ref. CIBT-2995-8748-6		
28 Jul	Payroll credit: Belt Ore Consolidated	+153,415	28,380,587
	Your pay was delayed 31 days because the employer's office was waiting for its own auditors, who were in another sector and expected to finish their session on the 28th. They finished, and the pay followed them. Ref. CIBT-2995-618A-1		
31 Jul	Interest at 4.70% APY	+110,825	28,491,412
	Interest on your pay sat in the account for 29 days at the Belt Ore Consolidated rate, because Belt Ore Consolidated pays its staff in arrears and the account was credited in advance. The arrears have since been paid. The interest earned in advance is yours, which is the one arrangement Belt Ore Consolidated has never wished to explain. Ref. CIBT-2995-6EC6-1

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
