Date	Description	Amount (s)	Balance (s)
03 Jul	Slippage fee (Mars Station, 5 transfers)	-4,500	28,911,213
	The 5 crossings were charged on the morning tide at Mars Station, when the relay is fullest, and the fee is larger for it by 300 seconds. You have been informed of the tide and have not asked to be told again. Ref. CIBT-3002-80FD-9		
06 Jul	Mech Veterans' Time Pension	+68,472	28,979,685
	The contribution from Belt Ore Consolidated was reduced by 0.959 of a sol this month, because the firm changed the rate at which it converts its payments. The firm has written to say the change was made in the spirit of the scheme, and the Bank has asked what the spirit is priced at. Ref. CIBT-3002-13D0-3		
06 Jul	Transfer to own account: Mars Station	-1,424,270	27,555,415
	The sundry was rounded to the nearest second, which is the Bank's rule for charges under ten seconds and its custom for the rest. The Teller has checked the rounding and says it is correct, though she would have preferred it to be wrong in your favour. Ref. CIBT-3002-2CBA-5		
16 Jul	Temporal Health Plan	-21,871	27,533,544
	You have paid the premium in exact change for 8 years, so the Teller now has the coins counted before you reach the window. The plan has asked whether you would like the change in larger units. You have said the coins are a comfort. Ref. CIBT-3002-A7FA-2		
31 Jul	Interest at 4.70% APY	+113,253	27,646,797
	The joint account's interest is credited at Mars Station first and then here, so that each holder sees it once on the local day and once on ours. The two lines are not the same figure, and neither holder has yet asked which one to believe. Ref. CIBT-3002-D60D-5
