Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
26,189,118 s	**+759,958 s**	**-126,104 s**	**26,822,972 s**

Date	Description	Amount (s)	Balance (s)
01 Aug	Slippage fee (Svalbard, 2 transfers)	-600	26,188,518
	Two crossings on the same day were treated as one, because they went through the same relay, and the fee was rounded to a single whole second. The rounding is the Bank's; the seconds it saved are yours. Ref. CIBT-3003-BB55-6		
13 Aug	Deposit: Hall E	+593,197	26,781,715
	Every first Thursday a deposit of 593,197 is made in a brown envelope, on which the holder has written the same figure since 2998. The envelope is stamped, collected and handed back to the holder empty, and the holder keeps it. Ref. CIBT-3003-83BA-6		
16 Aug	ATM withdrawal: Svalbard	-86,400	26,695,315
	The withdrawal was put off until the machine had finished its quarterly self-check, which took 29 days and was started, on this occasion, the day before you asked. The cash was paid the moment the check finished. Ref. CIBT-3003-BBB1-5		
19 Aug	Mech Veterans' Time Pension	+64,187	26,759,502
	The reserve was counted twice in last quarter's return, once as paid and once as held. The figure below includes it once, and the difference has been carried forward without interest. Ref. CIBT-3003-8F63-9		
28 Aug	Temporal Health Plan	-39,104	26,720,398
	The plan holds a dental record in your name for a tooth that was never taken out. It is paid each year at the price of an extraction, which the plan regards as a reserve against the tooth's return. Ref. CIBT-3003-22DC-3		
31 Aug	Interest at 4.70% APY	+102,574	26,822,972
	Belt Ore Consolidated holds part of your pay in trust until the 31st, and interest on that part has been credited from the day it was held. The employer has been told the Bank does not keep such interest from the holder, and has said that it knows. Ref. CIBT-3003-66C1-2		

Closing balance, month by month

September 3002 August 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
