Opening balance	Credits	Debits	Closing balance
10,626,423 s	**+935,560 s**	**-393,512 s**	**11,168,471 s**

Date	Description	Amount (s)	Balance (s)
02 Jan	ATM withdrawal: Vancouver Sector	-86,400	10,540,023
	The cash-time line at Vancouver Sector for the 2nd matched a receipt, a log entry and a counterfoil that should not exist. The counterfoil is in the Committee's room, filed as a counterfoil. Ref. CIBT-3012-7071-5		
11 Jan	Mech Veterans' Time Pension	+70,535	10,610,558
	A standing transfer of 1,800 from each pension to a fund in Vancouver Sector was set up in 3007, and nobody at the office has asked to change it. The fund's receipts have never once arrived late. Ref. CIBT-3012-EE8C-9		
12 Jan	ATM withdrawal: Vancouver Sector	-259,200	10,351,358
	The machine at Vancouver Sector has been described by the officer as quite willing and by the custodian as adequate. Both descriptions are accurate, and the Teller has asked that the reading out of them be stopped. Ref. CIBT-3012-25F3-2		
12 Jan	Slippage fee (Vancouver Sector, 9 transfers)	-8,100	10,343,258
	Belt Ore Consolidated sends its remittances 9 crossings early, a habit the payroll office describes as diligence and the Bank records as 8,100 seconds of enthusiasm. Ref. CIBT-3012-A238-0		
15 Jan	Payroll credit: Belt Ore Consolidated	+153,415	10,496,673
	You draw your wage in coin on the day it arrives, and spend the first coin before the second has been counted. The Bank has never found out what the first coin bought, and has stopped asking. Ref. CIBT-3012-6A03-6		
17 Jan	Deposit: Hall E	+669,990	11,166,663
	You have deposited the same 669,990 every month since the account opened, and each month the counter asks whether you would like it to be something else. You say no. The officer writes "unchanged" in the margin and underlines it, as though the word were news. Ref. CIBT-3012-3AB4-2		
28 Jan	Temporal Health Plan	-39,812	11,126,851
	A claim from Vancouver Sector was paid after the local clinic had closed its books for the season, which it does by lighting a lamp in the window. The lamp was lit on the 28th, and the claim was in time. Ref. CIBT-3012-43CA-3		
31 Jan	Interest at 4.70% APY	+41,620	11,168,471
	Interest on your pay sat in the account for 31 days at the Belt Ore Consolidated rate, because Belt Ore Consolidated pays its staff in arrears and the account was credited in advance. The arrears have since been paid. The interest earned in advance is yours, which is the one arrangement Belt Ore Consolidated has never wished to explain. Ref. CIBT-3012-1FF4-9		

Closing balance, month by month

February 3011 — January 3012

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
