Opening balance	Credits	Debits	Closing balance
13,102,082 s	**+2,087,053 s**	**-280,823 s**	**14,908,312 s**

Date	Description	Amount (s)	Balance (s)
06 May	Temporal Health Plan	-21,623	13,080,459
	The invoice showed 5 sessions in its description and 6 in its total, and the two did not agree. The total was right; the description had been copied from an earlier booking, and it has been brought into line with the sessions you actually had. Ref. CIBT-3012-75B8-8		
07 May	ATM withdrawal: Europa	-86,400	12,994,059
	An earlier line showed the withdrawal at Europa as One Standard day. The machine had paid out 0.942 cycle, which is the figure it uses, and the line has been re-entered in that unit so that the two agree. Ref. CIBT-3012-5863-2		
26 May	Mech Veterans' Time Pension	+62,038	13,056,097
	This pension is rounded at the rate of the year the veteran enlisted, not the year it is paid, a rule the Office keeps for veterans who joined before the calendar was reformed. The difference this month was 0.30 seconds, and it runs in the veteran's favour. Ref. CIBT-3012-8485-5		
27 May	ATM withdrawal: Europa	-172,800	12,883,297
	Your 2 Standard days was dispensed at Europa and posted here after the relay had carried the notice across, which took 29 days. The machine had paid it out the same afternoon, and nobody on either side was in a hurry. Ref. CIBT-3012-06D0-6		
29 May	Deposit: Hall E	+1,973,699	14,856,996
	The sum comes from Belt Ore Consolidated as a yearly bonus, in notes of a denomination the payroll office stopped printing some time ago. The counter found the notes genuine, and the office was told they were the most dependable thing it had sent all year. Ref. CIBT-3012-0BBC-5		
31 May	Interest at 4.70% APY	+51,316	14,908,312
	Asked for the figure, the Teller reads it aloud, then offers the other figure, the one the Bank does not print. You declined, and she has written that down. Ref. CIBT-3012-C47F-2

June 3011 May 3012

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
