Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
17,224,215 s	**+663,809 s**	**-367,750 s**	**17,520,274 s**

Date	Description	Amount (s)	Balance (s)
09 Jul	Payroll credit: Belt Ore Consolidated	+153,415	17,377,630
	No receiving fee has been charged on this credit from Belt Ore Consolidated. The Bank does not normally waive it on wages in days, but the employer's office has a standing arrangement with us. Ref. CIBT-3012-45C9-7		
10 Jul	ATM withdrawal: Venus	-172,800	17,204,830
	The local office at Venus dates its withdrawals by its own sun, so the 10th on your receipt is a day earlier here. Interest runs from the earlier date, which the local office considers the more polite of the two. Ref. CIBT-3012-2C1B-0		
12 Jul	Mech Veterans' Time Pension	+61,519	17,266,349
	Belt Ore Consolidated has asked the Pensions Office to confirm that your pension is not a continuing contract. It is confirmed. The Office has added that the firm's letter asking is itself a continuing contract. Ref. CIBT-3012-BC34-4		
20 Jul	Deposit: Hall E	+381,414	17,647,763
	The officers have asked that your next deposit be made at the wicket that opens late on Mondays, so that the slips can be filed with their fellows. This one was made there, and the request is noted. Ref. CIBT-3012-42BA-1		
24 Jul	ATM withdrawal: Venus	-172,800	17,474,963
	The Teller asks us to say that the machine at Venus is quieter than it was, and that she is grateful for it, though she does not say for what. Ref. CIBT-3012-5F8F-7		
26 Jul	Temporal Health Plan	-18,550	17,456,413
	For the auditors: the physiotherapy on the 26th was reimbursed at the Head Office rate, and the clinic at Venus has pointed out that the session was given at the local one. The clinic is right. The difference of 0.990 stands until the spring, when the question may be raised again. Ref. CIBT-3012-674E-8		
27 Jul	Slippage fee (Venus, 4 transfers)	-3,600	17,452,813
	The auditors closed their query on this line. The 300-second difference between the relay and the Head Office is recorded as a rounding and nothing more, and nobody has yet been asked to explain it. Ref. CIBT-3012-C54E-9		
31 Jul	Interest at 4.70% APY	+67,461	17,520,274
	Part of the interest waited at the Venus relay while the local office explained that its own day had been split in two for a festival. The second half had to be counted from the first. Ref. CIBT-3012-A113-2		

Closing balance, month by month

Highest 17,520,274 s · lowest 10,626,423 s

August 3011 — July 3012

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
