Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
16,763,974 s	**+1,465,750 s**	**-117,309 s**	**18,112,415 s**

Date	Description	Amount (s)	Balance (s)
06 Jan	Temporal Health Plan	-30,909	16,733,065
	The occupational clinic at Belt Ore Consolidated sent its invoice a month before the sessions, so the claim was paid before they had happened. The auditors then asked to see them. They have since taken place, and the auditors have agreed to watch the next lot. Ref. CIBT-3015-5514-8		
07 Jan	Deposit: Hall E	+1,173,903	17,906,968
	Auditors' query: why was this deposit credited before its slip was countersigned? The officer countersigned it at the window, in full view of the holder, and the signature was late only by the time it took to find a pen. Ref. CIBT-3015-40BF-7		
16 Jan	Mech Veterans' Time Pension	+72,774	17,979,742
	The payment was a day late because the veteran's pension book had gone to be rebound, at his own request, in a cover of the same colour as the old one. The binder had to be satisfied that the colour matched before the book could be trusted with a figure. Ref. CIBT-3015-41F5-5		
23 Jan	Payroll credit: Belt Ore Consolidated	+153,415	18,133,157
	The Belt Ore Consolidated credit arrived on the same day as the previous three. The Teller has suggested, unasked, that it would save everyone trouble if your pay came the day after the contract's anniversary. The suggestion has been noted. Ref. CIBT-3015-3F28-8		
28 Jan	ATM withdrawal: Tallinn Sector	-86,400	18,046,757
	Audit query: the withdrawal at Tallinn Sector was authorised by a token issued in 3011, and the token is still valid. The Committee notes that tokens do not expire on this machine, and asks that this be minuted. Ref. CIBT-3015-8B6C-4		
31 Jan	Interest at 4.70% APY	+65,658	18,112,415
	The statement shows the interest rounded to the second, though it accrued to the tenth. Your account is credited with the figure shown, and the tenths are the Bank's, as they have always been. Ref. CIBT-3015-530E-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
