Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
16,762,761 s	**+1,106,140 s**	**-202,630 s**	**17,666,271 s**

Date	Description	Amount (s)	Balance (s)
05 Aug	Mech Veterans' Time Pension	+57,640	16,820,401
	The statement printed the wrong day of the week beside the payment. The payment itself was made on the correct day, a little after the hour the statement gave, and the day has been reprinted to match. Ref. CIBT-3018-BC98-0		
14 Aug	Temporal Health Plan	-29,830	16,790,571
	Your physiotherapy at Vancouver Sector is billed by a clinic that keeps its appointments on a wall chart, copied to the plan each Sunday. Your session on the 14th was paid a week late, because the dock hands had been called away to a fire in the next bay, and the clinic has asked that its chart be read to the plan aloud, which it regards as the more accurate method. Ref. CIBT-3018-0AE0-4		
17 Aug	Deposit: Hall E	+829,431	17,620,002
	You bring cash in on the 17th of each month in the same envelope, and the counter staff now fold it for you before it reaches the window. The officers say it is the one thing at Hall E that has never once come in wrong. Ref. CIBT-3018-E1A3-8		
18 Aug	ATM withdrawal: Vancouver Sector	-172,800	17,447,202
	Every 3 weeks since 3015 you have drawn 2 Standard days from the machine at Vancouver Sector, in the same denomination, and you have never asked for a receipt. The machine offers one regardless, and you take it and put it in your pocket. Ref. CIBT-3018-3D06-5		
20 Aug	Payroll credit: Belt Ore Consolidated	+153,415	17,600,617
	Counted twice, once by the cashier and once against the employer's own advice, the Belt Ore Consolidated credit agrees in both. The cashier notes that this is less common than it ought to be. Ref. CIBT-3018-9E54-5		
31 Aug	Interest at 4.70% APY	+65,654	17,666,271
	Interest for the month. The posted rate changed on the 31st; interest before that date was calculated at the old rate and after it at the new. Ref. CIBT-3018-727E-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
