Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
20,667,059 s	**+1,070,176 s**	**-276,374 s**	**21,460,861 s**

Date	Description	Amount (s)	Balance (s)
07 Jan	Temporal Health Plan	-17,174	20,649,885
	The provider counted the same 9 visits twice, once going in and once coming out, and billed the second count as new sessions. The plan has paid the honest count and kept the other in the margin of the claim. Ref. CIBT-3020-B0BF-7		
09 Jan	ATM withdrawal: Lagos Sector	-172,800	20,477,085
	Belt Ore Consolidated pays its staff on the 9th at Lagos Sector, and their withdrawals that afternoon are entered in the staff's own names. Yours is entered in your own name, which the officer at Lagos Sector has noted with some relief. Ref. CIBT-3020-E969-4		
10 Jan	Deposit: Hall E	+765,015	21,242,100
	You make a deposit at the Hall E window on the same afternoon every week, usually before the bell, with the slip already filled in. The officers no longer check it and simply initial the foot. Ref. CIBT-3020-F44B-7		
11 Jan	Payroll credit: Belt Ore Consolidated	+153,415	21,395,515
	The Belt Ore Consolidated pay was held 31 days at the Lagos Sector office because two branches had set their clocks on different Standard days. The period it covered was the one you were paid for, and the wait belongs to the office, not to you. Ref. CIBT-3020-1A1F-0		
12 Jan	Mech Veterans' Time Pension	+70,801	21,466,316
	The conversion fee on this pension has been waived because it is paid to a dependant on the same world as Lagos Sector. The pension itself is paid in full. Ref. CIBT-3020-A45D-5		
24 Jan	ATM withdrawal: Lagos Sector	-86,400	21,379,916
	Requests at Lagos Sector are dispensed in whole days, so the 0.978 day you asked for was never paid out. It was returned to the account on the 24th at the figure it had been held at, and the machine has been asked to reconsider its arithmetic. Ref. CIBT-3020-349C-4		
31 Jan	Interest at 4.70% APY	+80,945	21,460,861
	You have collected the interest statement in person on the first working day of every period since 3015, and the officer now sets the envelope out before you arrive. Nothing about the envelope has changed, which the officer says is how you like it. Ref. CIBT-3020-0413-7		

Closing balance, month by month

February 3019 January 3020

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
