Date	Description	Amount (s)	Balance (s)
01 Jan	Temporal Health Plan	-36,738	34,417,880
	A reimbursement landed on the wrong dentist's books, because a physiotherapist on London Sector shares a surname with him. The two have been separated, the dentist has been paid nothing, and he has not yet complained, which the plan takes as a sign he has not noticed. Ref. CIBT-3027-E1E4-3		
06 Jan	Transfer to own account: London Sector	-2,508,148	31,909,732
	The reference on this transfer was the sender's rather than yours. It has been changed after the sender confirmed in writing that the money was meant for the purpose you named, and for nothing else. Ref. CIBT-3027-1A3E-8		
08 Jan	Payroll credit: Belt Ore Consolidated	+153,415	32,063,147
	When a wage is paid in halves of a day, the half left over goes to whichever pay period is the shorter. This month is the shorter one, so the 0.992 is yours, and it has been posted to you. Ref. CIBT-3027-D98C-2		
08 Jan	Mech Veterans' Time Pension	+67,058	32,130,205
	The award gives 4 years of service, but the register had your year of enlistment written as your year of discharge, so the service was counted backwards. The count has been turned the right way round, and the sum now agrees with the award. Ref. CIBT-3027-8CCB-0		
22 Jan	New Time™ exchange	+32,383	32,162,588
	Belt Ore Consolidated sends a clerk to the counter each month to watch the recall of its staff's New Time™. The clerk has been told that watching is not part of the service, and has said that this is why the firm sends the clerk. Ref. CIBT-3027-126E-6		
24 Jan	ATM withdrawal: London Sector	-172,800	31,989,788
	A withdrawal made on the 24th was returned to the counter the same afternoon, unopened, with a note reading only "not today". It was made again the following day, and the note was not repeated. Ref. CIBT-3027-F650-9		
29 Jan	Slippage fee (London Sector, 4 transfers)	-1,200	31,988,588
	The rent to Ulla Grisolm crosses on the 29th of each month and carries its fee with it, so the fee is paid for the rent and the rent is paid for the fee. The two have been on the same line since 3024, and nobody has yet suggested they be separated. Ref. CIBT-3027-4BD6-4		
31 Jan	Interest at 4.70% APY	+134,947	32,123,535
	Interest under one second in a period is not paid out but added to the rounding account, which has never been drawn on and is not expected to be. This period's figure fell short of a whole second by a fraction, and the fraction has been kept there on your behalf. Ref. CIBT-3027-0B9A-0

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
