Date	Description	Amount (s)	Balance (s)
11 Sep	Transfer to own account: Singapore Sector	-89,118	9,973,694
	A sundry line from Singapore Sector is written in the local word for an hour, which the Bank converts to days without comment. The conversion is at the local rate, and the word is printed in brackets so the station can recognise its own word on the page. Ref. CIBT-3000-2891-7		
13 Sep	Slippage fee (Singapore Sector, 4 transfers)	-3,600	9,970,094
	The fraction carried from last month was added to this fee twice, once as a balance and once as a charge. The second addition has been removed and the fee restated at 3,600 s, which is the figure the Bank would have written had it been asked. Ref. CIBT-3000-D1CF-9		
28 Sep	Turbulence Cover	-12,309	9,957,785
	You have bought Turbulence Cover on every crossing from Pallas Ring 10 for 4 years and have made no claim. The premium is calculated on that record, and this month's reduction reflects it. Ref. CIBT-3000-404B-3		
30 Sep	Interest at 4.80% APY	+40,251	9,998,036
	You walk to the Hall E board on the 30th of each month to read the posted rate, though it is printed on your statement in larger type. The board carries the same figure. The officers have stopped pretending the walk is unnecessary. Ref. CIBT-3000-E7A3-5
