| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 02 Jul | Payroll credit: Cloudport Aerostat Lines | +127,150 | 17,006,436 |
| | The Cloudport Aerostat Lines pay reached São Paulo Sector, a branch that had been closed for 31 days, so the Bank held the credit in its night safe until the branch could take it in. It was posted on the morning it could be, with the interest it had earned while it waited. Ref. CIBT-2995-D16A-3 | | |
| 06 Jul | Temporal Health Plan | -31,242 | 16,975,194 |
| | Consultations at São Paulo Sector are priced in days, and the Plan converts them at the posted rate on the day the patient was seen, not the day the bill was sent. The bill went out 31 days later, and the rate has been applied as the Plan's rules require. Ref. CIBT-2995-C067-1 | | |
| 07 Jul | Memory Vault: box 46-683, quarter | -259,200 | 16,715,994 |
| | You never ask for a receipt for box 46-683, but you always wait while one is written. The counter has learned to write it slowly, and the wait has been entered as a visit. Ref. CIBT-2995-E2B3-3 | | |
| 15 Jul | Deposit: Hall E | +2,097,476 | 18,813,470 |
| | Coins that will not fit the counter's tray are weighed rather than counted, and the weight is converted to seconds at the posted rate. The conversion is rounded once, at the foot of the slip, and the fraction of 0.961 is returned to the holder in a small paper, which the holder is free to lose. Ref. CIBT-2995-A094-9 | | |
| 31 Jul | Interest at 4.30% APY | +60,484 | 18,873,954 |
| | You have never asked for your interest to be paid out. The Bank has come to regard this as a settled view, and shares it, since interest left on deposit has not yet made up its mind where it would like to go. Ref. CIBT-2995-31BE-2 | | |

August 2994 July 2995

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
