Opening balance	Credits	Debits	Closing balance
16,234,214 s	**+357,584 s**	**-304,669 s**	**16,287,129 s**

Date	Description	Amount (s)	Balance (s)
10 May	Payroll credit: Cloudport Aerostat Lines	+127,150	16,361,364
	This month's Cloudport Aerostat Lines figure came from the timesheet with the hours written in another hand. The office has written to say it was right the first time, and that it would be glad if the Bank did not ask for a second copy. Ref. CIBT-3003-D79C-5		
16 May	ATM withdrawal: The Belt	-86,400	16,274,964
	You take the cash-time in the smallest denomination the machine offers. The custodian has begun to set a few of that kind aside in the tray for you, and says this is not a service and must not be entered as one. Ref. CIBT-3003-84D3-5		
21 May	Deposit: Hall E	+172,262	16,447,226
	The scale at the counter read 1 d 23:51:02, the sealed envelope said the same, and the officer has written the figure on the slip in capitals so that nobody counts it again. Ref. CIBT-3003-99D2-0		
26 May	Turbulence Cover	-9,286	16,437,940
	A stamp on the claim form reads RECEIVED, and beneath it, in a different ink, ALSO, with no explanation. The Bank has decided to take it as a second claim and to pay it once. Ref. CIBT-3003-6891-4		
27 May	ATM withdrawal: The Belt	-172,800	16,265,140
	You were the only person at the Belt machine on the 27th, and the Teller says you looked as though you had been expecting someone else. The Bank has no record of who, and the Teller has not asked. Ref. CIBT-3003-D0AF-9		
28 May	Temporal Health Plan	-36,183	16,228,957
	Your monthly premium of 36,183 has been paid on the 28th since 2998. The plan has not changed the sum in that time and has never found it necessary to write to you about it. Ref. CIBT-3003-D5C9-3		
31 May	Interest at 4.30% APY	+58,172	16,287,129
	The fee for a paper copy of this period's interest has been waived. The copy was requested in person, and the Bank is not in the habit of charging people for asking. Ref. CIBT-3003-889B-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
