Opening balance	Credits	Debits	Closing balance
16,868,937 s	**+187,597 s**	**-761,964 s**	**16,294,570 s**

Date	Description	Amount (s)	Balance (s)
05 Jul	ATM withdrawal: Ganymede	-259,200	16,609,737
	"Cash is only cash once someone has signed for it," the Teller says, and asks you to sign for it, which you do twice, once with each hand. Ref. CIBT-3003-F861-7		
07 Jul	Payroll credit: Cloudport Aerostat Lines	+127,150	16,736,887
	Pay from Cloudport Aerostat Lines, posted on the last working day of the month as the contract says. Their office files the figure in its own local time, so it reaches us a little ahead of the date it bears; the officer checked, found nothing to correct, and noted only that the pay clerk had a long day. Ref. CIBT-3003-0EBA-6		
09 Jul	Temporal Health Plan	-16,548	16,720,339
	A reimbursement of 16,548 was paid on the 9th for 9 sessions. The officer has checked the session count against the provider's appointment book, and the book shows the same 9, in the same order, in the same untidy hand. Ref. CIBT-3003-0D54-9		
19 Jul	Memory Vault: box 46-683, quarter	-259,200	16,461,139
	Quarterly rental on box 46-683, paid in cycles and converted to Standard seconds at the posted rate. You pay the same sum each quarter, even when the rate moves, and the Vault has stopped asking why. Ref. CIBT-3003-3C7E-0		
25 Jul	Transfer to own account: Ganymede	-227,016	16,234,123
	The Teller asks us to note that she has never once been asked to explain a sundry, only to restate one, and that a restatement is always easier to make. Ref. CIBT-3003-532A-7		
31 Jul	Interest at 4.30% APY	+60,447	16,294,570
	The odd seconds from each month are gathered up and credited once a year, and the total is rounded to the lower of the two figures, as the convention requires. This year it came to 55 seconds. Ref. CIBT-3003-D330-6

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
